To Whom It May Concern:

I would like to thank you for engaging my expert witness services. This letter will set forth the scope of my representation and the basic financial arrangements for which I have agreed to serve as your expert.

Scope of Representation

1. **Client:** You have engaged me to opine as a dental expert. The fees charged are expected to be paid within 21 days of receipt of billing and are ultimately your responsibility as you are representing your client. If you are requiring your client to pay my fees, work will not start until the retainer is received. All past due payments must be satisfied prior to deposition, arbitration, or trial.
2. **Scope of Work:** My job is to do the following: Review documents that you provide, call with a verbal report, and only provide a written report if requested, be available for arbitration, deposition and court and provide an IME and written report when needed.
3. **No Guarantee of Outcome or Estimates**
I do not guarantee the outcome or disposition of any matter with respect to which I am representing you, and you agree to pay my fees and other charges regardless of any outcome. Until I review the case, I obviously cannot determine the validity, nor outcome, of the case.

Financial Arrangements

Every matter I handle has at least two components to the financial arrangements: Retainer and Basis of Billing. Below are those components, as they apply.

1. **Retainer.** A \$3000 retainer is required to start the review on all cases. This is calculated at an hourly rate of \$750/hour, with a 4-hour minimum, which is non-refundable once the case and retainer are received. Please make check payable to “Dr. Jay Grossman”
2. **Basis of Billing.** I will bill you monthly for services rendered, expenses incurred and incidental in-house services provided. Billing is on an hourly basis, in one-tenth hour (six-minute) increments. The hourly rate is \$750/hour for review of records, phone consultation, and correction of my deposition. I bill at \$800/hour for depositions and IME. My rate for court appearances, trial and arbitration is \$8000 per day plus prep, travel and attorney meetings, and must be paid 14 days prior to trial so that I can cancel scheduled patients.

Thank you again for retaining me as your expert. I appreciate the confidence that you have placed in me and look forward to a mutually satisfactory relationship.

Very truly yours,

Dr. Jay S. Grossman
