Curriculum Vitae

Statement of Qualifications

Dr. Alan Stein has maintained a private practice in General Dentistry with an emphasis on adult restorative dentistry and dental implant prosthetics since 1975. For over ten years he has served the legal profession as a dental expert and expert witness with experience testifying at deposition and trial.

He is currently a Commissioner on the American Dental Association's Commission on Dental Accreditation. Past service to the dental profession includes Part-time Clinical Professor in the division of diagnostic sciences at the USC Ostrow School of Dentistry, peer review examiner for the San Fernando Valley Dental Society for 18 years, chair of the Judicial Council of the California Dental Association and a member of the Council on Ethics, By-laws and Judicial Affairs of the American Dental Association.

Dr. Stein has an active medical staff appointment at Northridge Hospital Medical Center for over 40 years having served in many capacities including chair of the Dental Department for 15 non-contiguous years. He received his dental degree from the University of Southern California School of Dentistry.

Areas of dental expertise include:

- Dental diagnosis and treatment planning
- Operative dentistry
- Cosmetic dentistry
- Fixed partial dentures, crown and bridge
- Removable partial dentures
- Removable full dentures
- Dental implant supported crowns
- Dental implant supported partial prosthesis
- Dental implant supported full mouth restorations including zygomatic fixation
