

Consultants In Medicine, PLLC

Aldo A. Arpaia , M.D., F.A.C.P.

Dr. Arpaia is a diplomate of the American Board of Internal Medicine and fellow of the American College of Physicians. He is board-certified in Internal Medicine and Geriatrics. He has provided insightful, comprehensive reports in matters dealing with medical malpractice review, independent medical examinations and provided expert testimony when necessary. Clients have detailed reports that are customized to the questions posed and always supported by the medical literature in a clear and concise manner.

Dr. Arpaia interned at Lenox Hill Hospital and completed his residency at Northwell Health Staten Island University Hospital division. He was accepted as a fellow of the American College of Physicians in his Chief Residency year.

Licensed since 1994, Dr. Arpaia has been active throughout his career in academic medicine; all the while developing one of the premier practices in his field within New York city.

In addition to the vast experience he has in his fields of specialty, Dr. Arpaia has served as a medical consultant to surgical patients for both preoperative risk assessment and optimization and post operative care. He has extensive training and experience in Emergency Medicine as well.

Throughout his career he has continued to be a leader in patient care. He is at the forefront of teaching evidence based medicine and best practices for hospital systems, health information technology companies and skilled nursing organizations.

He has been consistently recognized by his peers being awarded many honors, including:

Vitals top doctors From 2006 to 2020

New York Magazines top doctors 2016 to 2022

Castle Connolly's top doctors 2016 to 2022

Dr Arpaia brings his extensive expertise to the field of independent medical examinations, file review consulting, and expert witness testimony. He is a trusted and respected leader in his field and he will bring objective, accurate and insightful guidance to your medical legal matters.
