EXPERIENCE:

Group Nine Risk Consulting

January 2022 – Present: Founding Partner of security risk consulting firm whose mission and passion is the protection of our clients' people, property, information, and reputation. Services include training and consulting involving asset protection, risk mitigation, and workplace violence for domestic and international corporations and government organizations.

U.S. Marshals Service, Retired

June 1996 – January 2022

September 2019 – January 2022: Supervisory Deputy U.S. Marshal (SDUSM) for Judicial Security & Protective Intelligence. Responsible for the development, direction, administration, and execution of the Physical Security, Protective Intelligence, and Threat Investigations Program for the United States District Court for the Northern District of Georgia. I provided oversight and management of all security functions including a contract guard force of more than 100 officers, all physical security apparatus, and electronic security systems including all camera and alarms for four federal courthouses. I oversaw all complex protective investigations that on occasion evolved into criminal investigations which sought prosecution as a means of threat mitigation. As a SDUSM, I had the authority to make independent decisions and take independent actions to determine operational methodology and directly managed the execution of the Northern District of Georgia's Judicial Security Program.

May 2017 – September 2019: Protective Intelligence Inspector (PII). In this capacity I proactively identified, investigated, mitigated, and managed human threats to designated individuals and facilities. This was accomplished through the development, coordination, and analysis of information and intelligence from numerous sources. I regularly provided subject matter expertise and guidance with regard to the management of potential threat actors and subjects of interest. I partnered closely with FBI Joint Terrorism Task Force to share threat information and to ensure the proper protective response is deployed commensurate with the level of threat posed. In this capacity I also educated and provided program

- Excellent Graduate – Basic Deputy U.S. Marshal Class #604
- Qualified Distinguished Expert – Handgun, Rifle, Sub-machine Gun
- Numerous Sustained Superior Performance Awards
