---

**INTRODUCTION**

I have 30 years of clinical experience and am currently working full time as a board-certified residency trained emergency medicine physician at a level I trauma center and community hospitals. I have 25+ years of experience teaching residents and medical students as well as 14 years of experience as a physician administrator in multiple roles including department chair and Board of Directors. I currently serve on the Quality Improvement Committee for our 100+ physician group.
