CURRICULUM VITAE

BOARD CERTIFICATIONS

Anatomic and Clinical Pathology - 2019 American Board of Pathology

SUBSPECIALTY BOARD CERTIFICATIONS

Cytopathology - 2020 American Board of Pathology

MEDICAL LICENSURE

State of Tennessee Department of Health Medical License No. 60752

EMPLOYMENT

2020-present: Attending Pathologist - Jackson Pathology Group
620 Skyline Drive
Jackson, TN 38301
731-541-6026

POST-GRADUATE TRAINING:

2019-2020: Cytopathology fellowship
Moffitt Cancer Center
Department of Anatomic Pathology
Tampa, Florida

2015-2019: Anatomic and Clinical Pathology Residency
University of South Florida
Department of Pathology and Cell Biology
Tampa, Florida

EDUCATION:

2011-2015: Doctor of Medicine, May 2015
University of South Alabama College of Medicine
Mobile, Alabama

2007-2011: Bachelor of Science, May 2011
Troy University: Biomedical Science, *Magna cum laude*
Troy, Alabama

PROFESSIONAL ORGANIZATIONS:

2015-Present: College of American Pathologists (CAP)
2015-2020: American Society of Clinical Pathology (ASCP)
2017-2020: Florida Society of Pathologists (FSP)
2016-2020: United States and Canadian Academy of Pathology (USCAP)

PROFESSIONAL ACTIVITIES:

2019: Presenter and attendee, 21st Annual Research Day, James A. Haley Veterans Hospital, Tampa, Florida
2019: Presenter and attendee, 2019 Moffitt Scientific Symposium, Tampa, Florida
2019: Platform presenter and attendee, USCAP 2019, National Harbor, Maryland
2019: Attendee, Florida Society of Pathology Annual Meeting, Orlando, Florida
2018: Presenter and attendee, USCAP 2018, Vancouver, B.C., Canada
2018: Attendee, Florida Society of Pathology Annual Meeting, Orlando, Florida
2017: Presenter and attendee, CAP17, National Harbor, Maryland
2017: Presenter and attendee, Moffitt Pathology Symposium, Annual Conference
2016: Completed, ASCP Lab Management University

PUBLICATIONS/ABSTRACT SUBMISSIONS:

Clinicopathologic Characteristics of Thyroid Nodules Harboring EIF1AX, THADA, or DICER1 Gene Alterations. Peterson, D, MD; Valderrabano, P, MD, PhD; McIver, B, MD, PhD; Wenig, B, MD; Hernandez-Prera, J, MD. USCAP Annual Meeting, March 2019

Searching For a Guide to Becoming an Effective Educator

Daniel Peterson, MD; Evita Henderson-Jackson, MD; Marilin Rosa, MD; Marilyn Bui, MD, PhD. USCAP Annual Meeting, March 19, 2018

An Unexpected IgG4-Related Enteropathy Masquerading as a Stricturing Malignancy

Daniel Peterson, MD; Sarah Thomas, MD; Kun Jiang, MD, PhD
Case Report: *Archives of Pathology and Laboratory Medicine*, September 2017

FDG avid breast cancer bone metastases silent on CT and scintigraphy: a case report with radiologic-pathologic correlation. Jeong D, MD; Bui M, MD, PhD; Peterson D, MD; Montilla-Soler J, Gage KL. *Acta Radiol. Open* 2017; 6(10):1-7

Book Review Running the Gamut: Prevention of Harm In AP and CP Pathology

Laboratories. Daniel Peterson, MD; Marilyn Bui, MD, PhD *Ann Clin Lab Sci* November - December 2017

POSTER/CASE PRESENTATIONS:

An Institutional Review of Pathologist Review of Send Out Testing: Financial Implications

Daniel Peterson, MD; Steven J. Agosti, MD; Philip Foulis, MD

Poster Presentation: ASCP Annual Meeting, Sep 11-13, 2019, Phoenix, AZ

Clinicopathologic Characteristics of Thyroid Nodules Harboring EIF1AX, THADA, or DICER1 Gene Alterations. Peterson, D, MD; Valderrabano, P, MD, PhD; McIver, B, MD, PhD; Wenig, B, MD; Hernandez-Prera, J, MD.

Platform Presentation: USCAP Annual Meeting, March 18, 2019, National Harbor, Maryland
2019 Moffitt Scientific Symposium, May 2, 2019, Moffitt Cancer Center, Tampa, FL

Pathologist Review of Send Out Testing: Clinical and Financial Implications

Daniel Peterson, MD; Steven J. Agosti, MD; Philip Foulis, MD

Poster Presentation: 21st Annual Research Day, James A. Haley Veterans Hospital, May 16, 2019, Tampa, FL

Searching For a Guide to Becoming an Effective Educator

Daniel Peterson, MD; Evita Henderson-Jackson, MD; Marilyn Rosa, MD; Marilyn Bui, MD, PhD

Poster presentation: USCAP Annual Meeting, March 19, 2018, Vancouver, British Columbia, Canada

An Unexpected IgG4-Related Enteropathy Masquerading as a Strictureing Malignancy

Daniel Peterson, MD; Sarah Thomas, MD; Kun Jiang, MD, PhD

Poster Presentation: College of American Pathologists meeting, Oct 9, 2017, National Harbor, Maryland

Penile mass – A Rare Case of Penile Leiomyosarcoma

Daniel Peterson, MD; Jasreman Dhillon, MD

Case Presentation: 3rd Annual Moffitt Pathology Symposium, Sarasota, FL, February 2017

***Nocardia beijingensis* Initially Mimicking Malignancy: An Autopsy Case Report**

Daniel Peterson, MD; Sarah Thomas, MD; Robert Macaulay, MD; Nam Tran, MD

Poster Presentation: Florida Society of Pathologists, Orlando, FL, February 2017

QUALITY IMPROVEMENT ACTIVITIES:

2017-2019: An Institutional Review of Pathologist Approval of Send Out Testing: A First Look at Financial Impact and Beyond

TEACHING EXPERIENCE:

- 2017:** In-Service Presentation at JAH VA Medical Center: Molecular Pathology Department: Tissue Analysis by Mass Spectrometry
- 2016:** In-Service Presentation at JAH VA Medical Center: Internal Medicine Morning Report: Special Topics in Pathology: Serum Tumor Markers
- 2016:** In-Service Presentation at Moffitt Cancer Center: The Milan System for Reporting Salivary Gland Cytology and Discussion of Ancillary Testing
- 2016-2020:** Journal Club presentations in Cytology and Subspecialty Surgical Pathology at Moffitt Cancer Center
- 2015-2020:** Frequent presenter of USF-Morsani College of Medicine Pathology Lab presentations
- 2015-2020:** Frequent presenter of microscope slide reviews and lectures during resident didactic conferences

2015: In-Service Presentation at Bay Pines VA Medical Center: The Bethesda System for Reporting Thyroid Cytology

VOLUNTEER ACTIVITIES:

2014: Ronald McDonald House volunteer

2011-2013: Buddy Ball, volunteer baseball coach
