Experience

1993-present

Chief Executive Officer

**LeTourneau Lifelike Orthotics and Prosthetics, Inc
Beaumont, Texas**

Chief Practitioner of Multi-Million dollar Orthotic and Prosthetic Practice. Numerous awards by small Business Association including Small Business of the year both locally and regional and Hometown Hero. Our business assisted in the development of smart walker, Brimless above knee socket (T-Evolution), and the acti ankle. While currently at 3 offices within southeast Texas and 5,000 patient per year we were at one time over 13 offices that were located from Slidel La. to Houston Texas and over 13 million in Revenue.

We have been mentors to numerous organizations including the American Academy Internship program.

LeTourneau LifeLike Orthotics and Prosthetics , Inc. has been featured on the History Channel, CNN, all major Networks, Family Circle Magazine, and Numerous Newspapers and magazines for our cutting edge prosthetic and orthotic designs.
