Dear Attorney, Property Owner

Thank you for reviewing my credentials for being your Expert Witness on your case. I have over 46 years in the construction field from working in the field to management. Because of my love of the industry and a unique knack I have always advanced in knowledge and management positions.

As you have read in my resume my 47 years of experience from has allowed me to help both Plaintiffs and Defendants from Construction Conflicts, poor building practices and personal injury. I am helping people with continued education in the classrooms, public speaking, and our radio show.

I will give you and your client the same passion and knowledge I share continuously.

Please call me with any questions or thoughts you have anytime. I would love to help in any way.
