CURRICULUM VITAE OF CRAIG CHERNEY

Evidence Solutions, Inc. • ClientServices@EvidenceSolutions.com

BUSINESS EXPERIENCE cont.

American Land Fund

2007 - 2012

Vice President of Real Estate Operations, Western United States

Proven real estate operator who oversaw western U.S. land development assets owned by \$226mm private equity real estate fund founded by Dr. Peter Linneman, Director of the Wharton School of Real Estate at the University of Pennsylvania, which acquired and processed entitlements for 25,000+ residential home sites across 15 master plans in 7 different states.

- Execute daily operations of real estate fund to execute business plan generating highest and best use of the fund's land development assets to achieve high equity returns for fund investors.
- Report directly to Fund Investment Committee on issues relating to: (a) asset management; (b) risk management; (c) legal matters; (d) business plan execution; (e) budget compliance; (f) budget amendments and (g) investor relations.
- Established Real Estate Operator with direct and daily interface with company executives, government officials, joint venture partners, third party consultants, brokers, professionals and fund investors. Serve as legal counsel negotiating with opposing counsel, joint venture partners, government staff and elected officials. Appear at public hearings (e.g. City Council) to secure entitlements and zoning for underlying land parcels.
- Proven Asset Manager actively oversees monthly, quarterly and annual budgets and actual spending related thereto. Locate vendors, gather competing bids and select third party real estate service providers including engineers, lawyers, land planners, landscape architects, geologists, environmental engineers, political consultants, brokers, appraisers, surveyors, and other real estate professionals to aid business plan execution. Conduct weekly and monthly asset management update teleconferences and in person meetings to ensure project advancement, budget compliance and on time project delivery. Maintain contact with investors with project updates and specific information as needed.
- Rigorous Asset Reporting with monthly, quarterly, and annual asset reports containing real property updates, market trends, comparable sales, budget reconciliations, mark-to-market forecasted investment returns, forecasted IRR, budget variances and proposed change orders.

PULTE-DEL WEBB

2005 - 2007

Land Acquisition & Development Manager

- Team member responsible for land acquisition, entitlement and land development activities for Las Vegas division of nation's second largest publicly traded homebuilder which delivered over 9,500 Las Vegas residences in 2005-2007 alone. Originate, prepare, and present extensive Feasibility Packages to Company's Asset Management Committee to secure deal approval and funding.
- Served as Project Manager who personally oversaw contractor bids, budgets, installation of offsite improvements, in-tract improvements including grading, wet and dry utilities, curb, gutter, streets, sidewalks, and spine walls that enabled final delivery of finished lots ready for vertical construction.

RHODES HOMES

2004 - 2005

Corporate Counsel

- Served as in-house attorney for large private homebuilder managing a wide variety of litigation, transactional, structured finance and employment issues. Company delivered over 400 home closings per year.
